

BATTLE OF THE BANDS

Join the celebration!
Caldwell's 175th Birthday Party
November 14, 2015
11am-2pm
(contest will run noon-1pm)

The Caldwell Main Street program would like to invite local churches, schools, civic groups and youth groups to compete in a 'Battle of the Bands' at the 175th Birthday Celebration in November.

This is your chance to share your organization's talent, raise some money and celebrate our 175th with your community during the citywide picnic

All bands will have 5 minutes to perform whatever musical piece they choose. The audience will be encouraged to vote with their wallet! Each organization will have a donation box set up in their name. The group that receives the highest dollar amount of donations wins the competition. And that's not all! Each organization will get to keep the money raised from the voting!
We want this to be a fundraising opportunity for you as well!

There is no entry fee!
